FLOOR PLAN

SUSTAINABILITY

The Dubbo RSL Club Group is committed to embedding sustainability into everything we do.

Proud recipients of the Clubs NSW Award for Innovation in Environmental Sustainability, we actively implement initiatives to reduce our environmental impact, including:

- Rainwater Harvesting – capturing and reusing water across our facilities.
- Solar Panels – generating clean, renewable energy for the club.
- Heat Reclaim System – efficiently heating the indoor pool at the Health Club.
- Return and Earn – turning bottles and cans into helping hands with Vinnies, diverting waste from landfill.

This approach ensures we protect the environment while continuing to provide exceptional services to our members and the community.
